

**PEYMAN PAKZABAN, MD, FAANS
CURRICULUM VITAE**

Professional Data and Contact Information

Clinical Specialty: Neurosurgery

Practice Name: Peyman Pakzaban, M.D., P.A. (DBA: Houston MicroNeurosurgery)

Hospital Affiliations: Bayshore Medical Center
CHI St. Luke's Patients Medical Center

Office Location: 3801 Vista Rd., Suite 440
Pasadena, Texas 77504

Phone: 713.941.0008
Fax: 713.941.6262

E-mail: pakzaban@live.com

Web Site: www.pakzaban.com

Clinical Interests: Spine microsurgery and instrumentation
Brain and pituitary tumors
Aneurysms and vascular malformations
Stereotactic and computer-aided image-guided surgery
Surgery for trigeminal neuralgia

Research Interests: Minimally invasive spine surgery
Intraoperative spine localization

Boards and Licensure: Board-Certified by the American Board of Neurological Surgery
Licensed by the Texas Medical Board (License Number: H8305)

Education

Massachusetts General Hospital – Harvard Medical School, Boston, MA

- 1995-1996: Chief Residency in Neurosurgery, Massachusetts General Hospital
1990-1995: Residency in Neurosurgery, Massachusetts General Hospital
1992-1994: Fellowship in Neurobiology, NeuroRegeneration Laboratory,
Harvard Program in Neuroscience
1989-1990: Internship in General Surgery, Massachusetts General Hospital

Baylor College of Medicine, Houston, TX

- 1985 – 1989: Doctor of Medicine with Highest Honors

Massachusetts Institute of Technology, Cambridge, MA

- 1981-1985: Bachelor of Science, Chemical Engineering
Bachelor of Science, Biology

Honors and Awards

Texas State House of Representatives (2009):

Honorary Resolution for Invention of Laser-Guided Spine Localizer

American Association of Neurological Surgeons (1994):

Neurosurgery Resident Research Award

McLean Hospital / Harvard Medical School (1994):

Alfred Pope Award for Young Investigators

Baylor College of Medicine (1985-1989):

Graduated with highest honors
DeBakey Scholar Award for the Highest Level of Academic Achievement
Stanley W. Olson Award for Academic Excellence
Alpha Omega Alpha Medical Honor Society
High Honors on Basic Science Curriculum
Harris Busch Award in Pharmacology and Therapeutics
Stuart A. Wallace Award in Pathology
Awards of Excellence in Neurosurgery, Neurology and Pathophysiology
Ishiyaku Annual Award, 1987

Massachusetts Institute of Technology (1981-1985):

McCormack Award for Excellence in Undergraduate Research
Chemical Engineering Outstanding Senior Award

Portsmouth Abbey Preparatory School (1978-1981):

Summa Cum Laude
Rensselaer Polytechnic Institute Mathematics Award
Francis I. Brady Physics Medal

Administrative Positions

2006-2009: Governing Board Member, Patients Medical Center
2007-2008: Vice-Chairman, Department of Surgery, Patients Medical Center
2007-2008: Chairman, O.R. Committee, Bayshore Medical Center
2008-Present: Chairman, Surgical Services Executive Committee, Bayshore Medical Center
2008-Present: Member, Medical Executive Committee, Bayshore Medical Center
2009-2010: Chairman, Department of Surgical Subspecialties, Bayshore Medical Center
2010-2011: Member, Board of Trustees, Bayshore Medical Center
2010-2012: Chairman, Department of Surgery, Bayshore Medical Center
2012-Present: Vice Chairman, Department of Surgery, Bayshore Medical Center

Academic Appointments

1989-1996: Fellow in Surgery, Harvard University

Medical Industry Consulting Positions

2009 – Present: Aesculap Implant Systems, Inc., Education and Research Consulting
2010 – 2012: Aesculap Inc., Neuro Division, Education Consulting
2010 – Present: Synthes USA Products, LLC., Research and Development Consulting
2013 – 2015: Misonix, Inc., Research and Development Consulting

Professional Associations:

American Association of Neurological Surgeons
Congress of Neurological Surgeons
AANS/CNS Joint Section for Cerebrovascular Disease
AANS/CNS Joint Section on Disorders of Spine and Peripheral nerves
North American Spine Society
American Stroke Association
Texas Medical Association
Harris County Medical Society
Alpha Omega Alpha Medical Honor Society

Patents

1. Pakzaban P. Non-Invasive Method and Apparatus to Locate Incision Site for Spinal Surgery – U.S. Patent 7,677,801, granted March 16, 2010.

2. Pakzaban P, Nelson G, Dauster A, Haskins T. Driver Assembly with Guidewire Control Mechanism – U.S. Patent 9,254,160, granted February 9, 2016.
3. McDonough P, Strausbaugh W, Chronister B, Pepe T, Coover M, Coffman K, Kueenzi T, Chan E, Pakzaban P, Schmura K. Intervertebral Implants, Systems, and Methods of Use – US Patent 9220604, granted Dec. 29, 2015.
4. Dauster A, Maslowski AR, Pakzaban P, Webb S. Apparatus and Method for Visualizing Insertion of a Fixation Element into an Implant – US Patent 9138265, granted Sept. 22, 2015.
5. Linder S, Pakzaban P. Rod Insertion Instrument – US Patent 9610107, granted Apr. 4, 2017. German Patent Application 10 2013 10703080A1.
6. Pakzaban P. Apparatus and Method for Minimally Invasive Insertion of a Connecting Rod between Pedicle Screws – Provisional U.S. patent application 61119367.
7. Pakzaban P. Guidance Device and Method for Percutaneous Pedicle Localization, Access, and Screw Insertion in Spine Surgery – Provisional U.S. patent application 61173974.

Publications

1. Pakzaban, P. Technique for mini-open decompression of Chiari type I malformation in adults. *Operative Neurosurgery*. 2017; 13(4): 465-470. DOI: 10.1093/ons/opx027.

Professional Lectures

1. Lecturer, *Minimally Invasive and Mini-Open Transforaminal Lumbar Interbody Fusion*, Perspectives in Lumbar Spine Surgery, Berlin, Germany, March 2015
2. Chairman and Lecturer, *Anterior and Posterior Approaches to Lumbar Fusion*, The Methodist Hospital Research Institute, Houston, TX, January 2015
3. Chairman and Lecturer, *Anterior and Posterior Approaches to Lumbar Fusion*, The Methodist Hospital Research Institute, Houston, TX, July 2014
4. Lecturer, *Mini-Open Transforaminal Lumbar Interbody Fusion*, New Perspectives in Spine Surgery, Miami Anatomical Research Center, FL, September 2013
5. Chairman and Lecturer, *Anterior and Posterior Approaches to Lumbar Fusion*, Advanced Center for Surgical Education, Houston, TX, April 2013
6. Lecturer, *Mini-Open Decompression, TLIF and Pedicle Screw Fixation*, New Perspectives on Spine Surgery, Miami Anatomical Research Center, FL, November 2012
7. Lecturer, *Mini-Open Transforaminal Lumbar Interbody Fusion*, Recent Developments in Spine Surgery, Charite Hospital, Berlin, Germany, September 2012
8. Chairman and Lecturer, *Strategies for Transitioning to Minimally Invasive Lumbar Fusion*, The Methodist Hospital Research Institute, Houston, TX, May 2012
9. Lecturer, *Mini-Open Decompression, TLIF and Pedicle Screw Fixation*, New Perspectives on Spine Surgery, Miami Anatomical Research Center, FL, October 2011
10. Chairman and Lecturer, *Strategies for Transitioning to Minimally Invasive Lumbar Fusion*, The Methodist Hospital Research Institute, Houston, TX, April 9, 2011
11. Lecturer, *Mini-Open Transforaminal Lumbar Fusion and Bone Scalpel in Spine Surgery*, Aesculap National Sales Meeting, Bonita Springs, FL, February 24, 2011
12. Lecturer, *New Perspectives on Spine Surgery*, Aesculap Academy Meeting, Miami, FL, November 11, 2010
13. Course Director and Lecturer, *Bone Scalpel Training Workshop*, Baylor College of Medicine, Houston, TX, June 26, 2010
14. Chairman and Lecturer, *Strategies for Transitioning to Minimally Invasive Lumbar Fusion*, Barrow Neurological Institute, Phoenix, AZ, April 10, 2010

15. Lecturer, *Mini-Open Lumbar Fusion*, Aesculap National Sales Meeting, Bonita Springs, FL,
February 12, 2010

16. Lecturer, *New Perspectives on Spine Surgery*, Aesculap Academy Meeting, Miami, FL,
October 16, 2009
